## HELPING HANDS SUPERBOWL HOAGIE SALE

Helping Hands started as a vision to create a fundraiser for local families facing medical setbacks, while giving students in our schools an opportunity to participate in meaningful community service. It has grown into one of the most ambitious and inspiring fundraisers in the State of NJ. Your support of this event, which enlists student and adult volunteers, truly makes a difference in the lives of those in need while fostering the spirit of cooperation, resiliency and generosity that is the hallmark of our schools and community.
